

Autobahn Ceramic i3+ Window Film unlocks the next level in Nano-Ceramic Technology. Featuring an advanced, multi-layer construction, Autobahn Ceramic i3+ is designed to reject the maximum amount of solar energy and increase interior comfort levels. Autobahn Ceramic i3+'s durable, multi-layer construction ensures the product won't fade or discolor over time. Additionally, Autobahn Ceramic i3+'s Lifetime Warranty provides long-lasting protection, backed by a commitment to quality and customer satisfaction.

## Product Characteristics

Product	VLT	Visible light reflectance	Shading Coefficient (SC)	Solar Absorption	Total Solar Energy Rejected	UV Rejection	IRR (1025 nm)	Glare Reduction	Adhesive Type	Thickness	Liner Orientation
Ceramic i3+ 05	5%	6%	0.30	91%	74%	>99%	99%	95%	PSA	2 Mil	Out
Ceramic i3+ 15	15%	6%	0.35	88%	70%	>99%	99%	89%	PSA	2 Mil	Out
Ceramic i3+ 30	32%	7%	0.42	76%	64%	>99%	99%	64%	PSA	2 Mil	Out
